

Nazi Skull and Schwarz Bones

The House of Schwarzenberg is an Austrian-Bohemian nobility serving the House of Habsburg and they are involved with military, politics, and the Roman Catholic Church with Cardinal Friedrich Schwarzenberg during the 19th century. The family has origins from Bavaria and they established a covert branch in Switzerland. On their coat of arms there is a raven pecking at a decapitated head. Prince Karel Schwarzenberg is the current head of this family and a member of the Czech parliament and a knight of the Habsburg's Order of the Golden Fleece. They are a Roman Catholic family also connected with Protestantism which was created as a false opposition to Rome. Prince Karel supports the idea that denying communist crimes is a criminal offense. That itself is fascist and intended to deny freedom of speech. Prince Karel has attended Bilderberg meetings. Bilderberg is international conference with members in politics, military, business, and banking that conspire together to dominate over society in secret which sounds just like communism. It was in Austria where families like the Schwarzenbergs ruled where the Nazi ideologies had originated from. The royal and noble bloodlines engineered WWII all around. Adolf Hitler was an Austrian. Gustave Schwarzenegger was an Austrian Nazi and the father of Arnold Schwarzenegger. Arnold Schwarzenegger did a Nazi salute for one of his body building photos. Schwarzenegger is an unofficial relative of the Schwarzenberg family and that is why he has been allowed to become a famous and wealthy actor and politician as the former Governor of California. Arnold Schwarzenegger is a Nazi military commander in the United States and operates like the Duke of California. The Coronado Naval Base in California has a barracks shaped like a swastika.

James Schwarzenbach was a Swiss politician and a Nazi supporter. The Nazis SS used the Skull and Bones symbol. Arnold Schwarzenegger can be seen on the cover of Time Magazine with the billionaire Michael Bloomberg wearing a Skull and Bones belt buckle. Skull and Bones is a secret society at Yale University which was established by the English Crown and the Russell nobility in the United Kingdom. Stephen Schwarzman is an American investor who is worth over 10 billion, is the CEO and co-founder of Blackstone Group and a member of Yale's Skull and Bones secret society. Stephen Schwarzman has also been the head of Donald Trump's economic advisory council and after Trump had a meeting with the Saudi royal family the Saudis agreed to a 20 billion dollar investment into Blackstone. The German word for black is Schwarz. Blackstone financed and partly owned BlackRock Investment which manages about 6.8 trillion in assets today. Blackstone Group and BlackRock Investment are the epitome of corporate communism. Stephen Schwarzman has a residence at 740 Park Avenue which is a residence of many criminal billionaires and bankers. I believe there is an underground tunnel connected to the basement of 740 Park Avenue apartments. Leon Black is worth almost 7 billion and is the founder and CEO of Apollo Global Management which manages over 240 billion in assets. Tony Ressler is Leon Black's brother in law and is worth about 1 billion as the co-founder of Apollo Global Management and he was Jesuit educated at Georgetown University. Leon Black has a Polish ancestry and the House of Schwarzenberg ruled in the Kingdom of Bohemia which today includes parts of modern Poland. Apollo Global Management is named after the Greek deity for the sun. High level members of the Nazis like Heinrich Himmler were part of the secret society called the Black Sun Society or in German called the Schwarze Sonne.

George Soros whose original last name was Schwartz was up until recently worth over 25 billion and he is from Budapest, Hungary which was ruled by the House of Habsburg. Prince Karel stated that he supported George Soros in an interview and

that he has known him for a long time. The self identified "Jew" George Soros admitted to assisting the Nazis in confiscating property from Jews during his youth. George Soros created the Open Society Institute which is involved in funding radical political groups as a means to destabilize societies while pretending to represent civil liberties. Open Society Institute has had an endowment of over 19 billion. George Soros and his sons Alexander Soros, Robert Soros, and also Jonathan Soros who founded JS Capital Management also finance Nazi style persecution carried out by secret societies. The Soros family are completely criminal. Dieter Schwarz is a German billionaire worth over 20 billion and runs a retail monopoly called Schwarz Gruppe. Bernard Schwartz is a billionaire financier who was CEO of Loral Space & Communications which merged with Orion Network Systems which was ran by Kevin Patrick Power and he was married to Karen Akers and she is the daughter of Prince Heinnick Orth-Pallavicini of the Austrian House of Pallavicini. Loral Skynet was a subsidiary of Loral Space & Communications. Skynet is also the name of an artificial intelligence that takes over the world in the movie Terminator which stars Arnold Schwarzenegger. The name Schwarz means black. The Schwarzenbergs are co-managers of the Black Monks which are an ancient Roman Catholic priesthood that specialize in blasphemy. The Bohemian Club in the United States are managed by the Black Monks and it is a all male secret society of influential politicians and businessmen that make mock human sacrifices to a giant owl and have been exposed for bringing in young male prostitutes to their club. George Shultz is a member of the Bohemian Grove and a retired politician and businessman with ancestry from Germany. The Schwarzenberg's Black Monks operate at the Emmaus Monastery near Prague today.

Schwarzenegger had a meeting with the criminal bankers Jacob Rothschild and Warren Buffet several years back. The Schwarzenbach name originates from Bavaria like the Schwarzenberg name. Schwarzenberg is the name of a city in Berne and also in Lucerne. These Swiss cities are named after Schwarzenberg Castle established by the House of Habsburg. I believe this family moved into Zurich and became merchants of Zunfte and involved in the silk trade. Urs Schwarzenbach is a Swiss billionaire and a British knight of the Order of Saint John who was found guilty of art trafficking in Switzerland. Prince Karel Schwarzenberg is a dual Czech-Swiss citizen. George Soros (Schwartz) Dieter Schwarz, Bernard Schwartz and Stephen Schwarzman are all Court Factors handling the finances and criminal interests for the Schwarzenberg family. Arnold Schwarzenegger is really a Prince of the Schwarzenberg family and like the Duke of California. Prince Karel's children are Prince Johannes, Princess Anna, and Prince Karl Philipp. Prince Karel's father was a Knight of Malta. The Schwarzenberg family works under the Roman Catholic House of Habsburg as Knights of the Order of the Golden Fleece. Prince Karel is the head of this family and his son is Prince Johannes and his daughter is Princess Anna and she was married to Peter Morgan. Peter Morgan is extremely evil and he manages the satanic shill and gang stalker Joe Morgan who works with Jamie Lee. Joe Morgan is the real Aplanetruh shill and Jamie Lee is his shield. Joe Morgan is one of the most evil gang stalkers on the planet. The satanic actor Jeffrey Dean Morgan also works under the Schwarzenberg family and Peter Morgan. The Roman Catholic Habsburgs and Schwarzenbergs work with the Black Nobility of Italy and Vatican as Knights of the Order of Malta and as Roman Catholic royals and nobles appointed by Rome. These Nazi-Communists are pure evil and need to be exterminated out of existence.

Prince Karel Schwarzenberg is an owner of some Slavic mafias and a top authority over the Skull and Bones military council and paramilitary as well as the Bohemian Grove cult, the Black Sun Society and the Roman Catholic Black Monk priesthood. The Soros family are court factors for the House of Schwarzenberg. Prince Karel says he has known George Soros (Schwartz) for about 30 years.

Prince Johannes Schwarzenberg is a top manager of the Black Monks and Black Sun Society and gang stalkers working for these groups like the gang stalking commander Joe Morgan.

George Soros was born George Schwartz and he was from Hungary. George Soros was a Jewish Nazi that confiscated property from Jews and other groups the Nazis persecuted. George Soros[a], Hon FBA (born Schwartz György; August 12, 1930)[1][2] is a **Hungarian-American**[b] investor and philanthropist.[8][9] As of February 2018, he had a net worth of \$8 billion,[10] having **donated more than \$32 billion to his philanthropic agency, Open Society Foundations.**[11]

Alex Soros is the Deputy Chair of the Open Society Foundations which finances gang stalking and human trafficking. Alex Soros also created the Alexander Soros Foundation which also finances gang stalking, political terrorism, and human trafficking.

Jonathan Soros founded JS Capital Management and he finances gang stalking and human trafficking rings to satanic cults. The Soros family are pure evil and extremely destructive. They use the Open Society Foundations to finance criminal agendas like gang stalking while disguised as grants.

[1] Open Society Foundations financially support civil society groups around the world, with a stated aim of advancing justice, education, public health and independent media.[2][3]

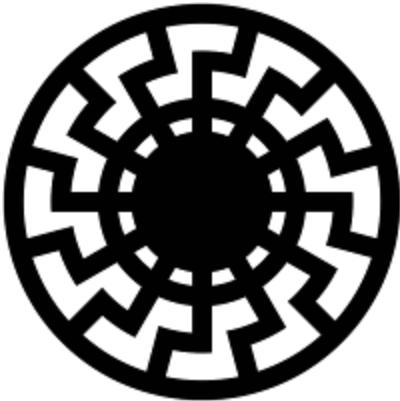

Robert Soros is a high level Jewish-Nazi commander of gang stalking cults and the Soros family finance child trafficking networks to satanic witches most of all. There is a large satanic Wiccan cult in the upstate New York region and they finance sacrifices to them and also bribe authorities into enabling these child trafficking/child murdering cults.

Princess Anna Schwarzenberg with her very evil ex-husband Peter Morgan who is now with the wicked actress Gillian Anderson who lives in Clerkenwell, London where the Massimo owned Clerkenwell Mafia are headquartered. Peter Morgan is a manager of Joe Morgan a paid shill that attempts to steal credit for my writings. Joe Morgan manages Tabu Blog and is the real Aplanetruh while he uses Jamie Lee as his cover. I exposed Joe Morgan several years ago as Aplanetruh after he used my articles to make a video which he distorted and mixed his own word into it. He also used my information as bait to target people. More recently a man named Jamie Lee has been claiming to be Aplanetruh. He used voice mimicking software to imitate Joe Morgan's voice during an interview . Jamie Lee seems to be an former government agent and an associate of Joe Morgan. Joe Morgan is the most evil, blasphemous, and depraved creature within this entire group. Aplanetruh uses a sunflower for his YouTube avatar. After I first exposed Joe Morgan as Aplanetruh

several years ago I had cars trying to run me off the road the next day with sunflowers hanging from their rearview mirrors. Joe Morgan is a member of the Nazi Black Sun Society and he is one of the most blasphemous, deceitful, and evil gang stalkers in the United States.

The **black sun** (German **Schwarze Sonne**) is a symbol employed in a **post-Third Reich context by neo-Nazis and some occult subcultures, such as Satanism**. The symbol first occurs as a design element in a **castle remodeled and expanded under Heinrich Himmler during the Nazi era**. The symbol's design consists of twelve radial mirrored sig runes, symbols employed as a logo by the Schutzstaffel.

Hitler's Jewish Soldiers

The Untold Story of Nazi Racial Laws and Men of Jewish Descent in the German Military
Contrary to conventional views, **Rigg reveals that a startlingly large number of**

German military men were classified by the Nazis as Jews or "partial-Jews" (Mischlinge), in the wake of racial laws first enacted in the mid-1930s. Rigg demonstrates that the actual number was much higher than previously thought—perhaps as many as 150,000 men, including decorated veterans and high-ranking officers, even generals and admirals.

Gustav Schwarzenegger was an Austrian Nazi

Stephen Schwarzman is a Jewish Skull and Bones member worth about 12 billion as the owner of Blackstone Group. Blackstone invested in BlackRock which manages 6.8 trillion assets. Both Blackstone and BlackRock are involved in financing bribes, child trafficking networks, and financial persecution on members of society. The ones managing Blackstone and BlackRock are international criminals that need to be executed. Schwarzman also financed the creation of BlackRock Investment and has been an economic adviser for President Donald Trump. After Trump met with the House of Saud they agreed to invest 1 billion into Blackstone. Schwarzman has a home on 740 Park Avenue which is home to numerous billionaires and investment bankers. 740 Park Avenue is a headquarters for wealthy criminals like Schwarzman, David Koch, and Woody Johnson. I believe there are underground tunnels connected to 740 Park Avenue used for trafficking underage sex slaves.

Fink sought funding (for initial operating capital) from **Pete Peterson of The Blackstone Group** who believed in Fink's vision of a firm devoted to risk management. **Peterson called it Blackstone Financial Management.[12]** In exchange for a 50 percent stake in the bond business, initially Blackstone gave Fink and his team a \$5 million credit line. profitable, and by 1989 the group's assets had quadrupled to \$2.7 billion. The percent of the stake owned by Blackstone also fell to 40%, compared to Fink's staff. [12]
